

2020 Maroon Key Induction

Opportunities to support and share our students' successes are some of the best times at Bay Path University. While we're doing things a bit different this year, not even a pandemic can stop us from acknowledging the accomplishments of our hard-working students.

The Maroon Key Honor Society is composed of students who attain Dean's List standing for multiple semesters at Bay Path. To qualify for Dean's list a student must be full-time, carrying at least 12 credits and earn a 3.5 grade point average on a 4.0 scale.

This year, we induct into the Society all of the students who have qualified since last spring. While we are all celebrating these accomplishments at a distance this year, I do hope that you will join me in congratulating these scholars for their achievement.

I will read the names in alphabetical order by school. The Deans of your schools are proud of the commitment you've shown to your Bay Path education and of your academic accomplishments to date!

I'd like to invite all inductees, where every you may be right now, to recite the Maroon Key Pledge with me:

As a member of the Maroon Key Honor Society, I pledge to uphold the standards of ethical and responsible scholarship, both as a student and as a professional in my chosen field.

I will help at least one student to succeed through my mentorship and personal assistance.

To become a stronger and wiser society, I will be actively involved in education at all levels, and I will wear my pin proudly as a symbol of the importance of academic excellence in my life-- and the lives of others.

Certificates and pins will be mailed to inductees as soon as possible.

Thank you, and again, congratulations on this accomplishment. So many are so proud of you!
