

Graduate 2021-2022 Academic Calendar

This calendar is utilized by all graduate programs, with the exception of the following: MFA in Creative Nonfiction Writing, Master of Occupational Therapy, MS Accounting, MS Applied Laboratory Science and Operations, MS Genetic Counseling, and MS Physician Assistant Studies programs. Academic calendars utilized by these graduate programs are listed on the Academics tab of the MyBayPath portal. The EdS/MS Education programs with a concentration in Administrator in Special Education follow the dates on this academic calendar with an exception of not offering coursework during the summer semester.

This calendar is based on two eight-week sessions running within each semester during the academic year; however, some graduate programs using this calendar may not offer coursework in eight-week sessions. In those cases, the add/drop deadline is always the close of business on the date of the first class meeting and the withdrawal deadline is always the close of business on the last business day prior to the course being 75% complete. Students are recommended to contact the Registrar's Office if they have any questions about add/drop or withdrawal deadlines for their courses.
