# Maroon Key Pledge

*As a member of the Maroon Key Honor Society, I pledge to uphold the standards of ethical and responsible scholarship, both as a student and as a professional in my chosen field. I will help at least one other student to succeed through my mentorship and personal assistance. To become a stronger and wiser society, I will be actively involved in education at all levels, and I will wear my pin proudly as a symbol of the importance of academic excellence in my life – and in the lives of others.*
